- Questions
Enable transformational experiences
Enable transformational experiences
Past Innovators
What to expect
What to expect
Innovator in Residence Program

- 12 – 24 months, beginning 09/2022
- Up to $80k each year
- Min 80 hours of on-site work in the first year
- You propose the schedule and funding
- You are a contractor, funded by taxpayer dollars
What to expect
Innovator in Residence Program

• Research with Library collections
• Produce a digital work(s) in the first year
• Outreach and extension in the second year
• First year work cannot be dependent on second year work, which is optional
• Serve as an ambassador for the library
What to expect
Innovator in Residence Program

- Research support
- Admin support
- Workspace
- Any overhead for travel, equipment, materials must be included in your proposed estimate
• The digital work(s) you produce are experiments. We make no commitment to accessioning your work as part of our permanent collections. Bring bold thinking!
“the products created as a result of this BAA (to include the creative work, public event recordings, blog posts and other project documentation) must be made available on loc.gov properties (at the Libraries discretion) or through a publicly accessible URL for at least two (2) years after project completion and published under a CC0 1.0 universal license. The applicant must grant the Library and public an irrevocable, fully paid-up, royalty-free, non-exclusive worldwide license to reproduce, distribute, copy, display, create derivative works, and publicly post, link to, and share, the work(s) or parts thereof, for the purpose of promoting the residency, making it accessible to the American people and for any other purpose”

Broad Agency Announcement, page 7
