

SH Knight Science Camp

Samuel H Knight (known as "Doc") was a professor of geology at the University of Wyoming who founded the Geology Field Camp. To build the camp, he bought 11 Franklin vehicles, painted them yellow, and added a dinosaur logo to their doors.

The Liberty Bell comes to Cheyenne

In 1915, the actual, physical Liberty Bell was making a transcontinental journey from Philidelphia to San Francisco. It came to Cheyenne riding a custom train car. Kids were allowed to come up and touch it, but it had to stay aboard the train.
